24th ASIA PACIFIC INTERIOR DESIGN AWARDS PRESENTATION CEREMONY

Hong Kong Interior Design Association (HKIDA) has successfully organized the 24th Asia Pacific Interior Design Awards ceremony on 21 November 2016, which took place at Hong Kong Convention & Exhibition Centre, presented the Gold, Silver, Bronze, and winners of 13 categories, with over 300 guests in attendance.

APIDA has been a driving force to discover and recognize interior design talents in Asia Pacific for 24 years, and has become one of the most renowned industry awards in recent years. Supported by local and international interior design masters as judges, with vigorous screening and intensive adjudication, the award is now a benchmark of achievement to many young interior designers, and is widely celebrated by top interior design brands. The gala dinner brings interior design professionals together in a celebration of the creative spirit of interior design, and serves to propel the industry forward.

“APIDA 2016 received over 630 submissions from the Asia Pacific regions including those from Mainland China, Hong Kong, Taiwan, Japan, Singapore, Malaysia, Thailand, Macau and Indonesia, etc. Once again, APIDA attained new standards and will no doubt set design trends in the region,” said Enoch Hui, Chairman of APIDA 2016.

With the support of HKIDA sponsors, APIDA achieved resounding success. We would like to express our sincere gratitude to HKIDA Platinum sponsor HKT Premier, Gold sponsor Glasslam / Orientop Limited, Silver sponsors Formica (Asia) Limited and Kohler Asia Pacific Limited, Bronze sponsor Sunbrella, etc.
